She wakes up in her luxurious Seoul apartment, stretches lazily, and begins her morning skincare and makeup routine. She applies glossy lipstick, styles her hair, and chooses a chic black outfit featuring a fitted top, cropped leather jacket, mini skirt, knee-high boots, and designer-inspired accessories. She checks her look in the mirror, sprays perfume, puts on oversized sunglasses, and gives the camera a confident smirk.

She strides through Gangnam's fashionable streets, passing luxury boutiques, trendy cafés, glowing Hangul signs, and stylish Korean pedestrians. She grabs an iced Americano, takes a mirror selfie, and walks through a busy crosswalk with effortless model energy. At golden hour, she poses on a rooftop overlooking Seoul's skyline, her hair moving in the breeze. She puts her sunglasses back on and walks away as the city lights begin to glow.
