[s1_chiles: first k1_chiles, last None, slot 0.0-2.17 s]
The right hand presses the 6 dried chiles flat onto the hot comal, one after another, each press crisp. Under the fingers the skins blister and darken, and smoke curls up. One continuous shot with no cuts. Photoreal, warm window light, shallow depth of field, slow steady camera drift that never stops. Every object keeps its count. Nothing moves unless a hand moves it or gravity does. Bare forearms, no jewellery, correct hands. No text, logos or labels.

[s2_sear: first k2_sear, last None, slot 5.17-7.21 s]
The right hand turns the nearest chunk of beef over with the tongs, showing a dark brown crust. All 4 chunks sizzle hard in the hot fat, with oil spitting and smoke rising, and the crust visibly deepens. One continuous shot with no cuts. Photoreal, warm window light, shallow depth of field, slow steady camera drift that never stops. Every object keeps its count. Nothing moves unless a hand moves it or gravity does. Bare forearms, no jewellery, correct hands. No text, logos or labels.

[s3_shred: first k3_shred_a, last k3_shred_b, slot 9.42-11.67 s]
The left hand and right hand each hold a fork with a closed fist. Both forks drag apart through the braised chunk, and the tender beef tears into long dark shreds in the red sauce, with steam escaping. The forks cause all the movement. One continuous shot with no cuts. Photoreal, warm window light, shallow depth of field, slow steady camera drift that never stops. Every object keeps its count. Nothing moves unless a hand moves it or gravity does. Bare forearms, no jewellery, correct hands. No text, logos or labels.

[s4_griddle: first k4_griddle, last None, slot 12.75-16.5 s]
The right hand lays the third limp red-orange tortilla flat on the hot griddle and withdraws. All 3 tortillas stay deep red-orange. Their edges bubble and crisp, with red fat spitting around them. Red-orange throughout, never pale. One continuous shot with no cuts. Photoreal, warm window light, shallow depth of field, slow steady camera drift that never stops. Every object keeps its count. Nothing moves unless a hand moves it or gravity does. Bare forearms, no jewellery, correct hands. No text, logos or labels.

[s5_cheese: first k5_cheese_a, last k6_cheese_b, slot 16.5-18.8 s]
White cheese falls from the left hand onto the nearest red-orange tortilla and melts into glossy strands in the heat. The left hand leaves, and the right hand drops a pile of dark shredded beef onto one half. One continuous shot with no

cuts. Photoreal, warm window light, shallow depth of field, slow steady camera drift that never stops. Every object keeps its count. Nothing moves unless a hand moves it or gravity does. Bare forearms, no jewellery, correct hands. No text, logos or labels.

[s6_fold: first k6_cheese_b, last k7_fold, slot 18.8-21.04 s]
The right hand slides a steel spatula under the nearest tortilla, folds it in half and presses it down. Melted cheese spills out and fries into a golden lacy crust along the edge, and the taco blisters deep red-orange. The camera pushes in on it, and the tacos behind stay soft in the background. One continuous shot with no cuts. Photoreal, warm window light, shallow depth of field, slow steady camera drift that never stops. Every object keeps its count. Nothing moves unless a hand moves it or gravity does. Bare forearms, no jewellery, correct hands. No text, logos or labels.

[s7_end: first k8_end, last None, slot 25.5-30.0 s]
The right hand keeps raising the dipped taco toward the lens, the cheese strand stretching thinner while red consome keeps dripping into the cup. The left hand keeps squeezing the lime wedge, and juice keeps falling onto the 2 tacos on the plate. Steam rises from the cup and the camera keeps arcing. It ends in the middle of this action, with the drip still falling. No held final moment. One continuous shot with no cuts. Photoreal, warm window light, shallow depth of field, slow steady camera drift that never stops. Every object keeps its count. Nothing moves unless a hand moves it or gravity does. Bare forearms, no jewellery, correct hands. No text, logos or labels.
