The heading above each prompt names the tool and format it ran with.

Higgsfield, Seedance 2.0 mini, text to video, 480p, 15 s, vertical 9:16, audio on

Stylized 3D feature-animation comedy, original character design, vertical 9:16, 15 seconds. A gothic dressing room: dark plum walls, gold vanity with a bulb-lit mirror, candles, cobwebs, two plum seats, a blue-lit doorway on the right. WITCH: short curvy adult woman, warm peach skin, amber eyes, dark purple waves with one silver streak, tilted black witch hat with a gold crescent, plum velvet dress. Dry and unimpressed.

GHOST: tall slender adult woman, see-through glowing pale-mint skin, small round amber eyes, short curly copper-red hair, faded green 1920s beaded flapper dress, original design.
SECOND GHOST: adult woman, pale grey skin, messy black chin-length bob, worn grey dress, holding a small pink makeup bag.
0-2s, two-shot: the witch in the black hat sits at the vanity putting on burgundy lipstick. The ghost in the green flapper dress pops up behind her, hands up, and shouts "Boo!" The witch does not flinch.
2-4s, close-up: the witch slides her eyes toward the ghost and says flatly, "Mm-mm." She points at the empty client seat. The ghost sits.
4-9s, fast montage of quick cuts on the ghost's face: a sponge dabs concealer, a brush sweeps plum eyeshadow, liner flicks, false lashes go on, berry-red lipstick fills her lips, her hair is pinned into a tall updo with a gold crescent pin. Same face, only makeup and hair change.
9-11s, mirror shot: the ghost sees herself, gasps and smiles. The witch smirks.
CUT TO 11-13s, wide: the second ghost with the black bob steps into the blue doorway holding the pink makeup bag up and asks, "Me next?"
CUT TO 13-15s, close-up: the witch in the black hat closes her eyes, exhales and says, "You have got to be kidding me." Hold on her face.
Sound: lipstick cap click, soft brush strokes, tweezers clicks, one hairspray hiss. Only these lines, in natural English. No music, no on-screen text.
