No reference image: this prompt ran on its own.

Camera first: medium shots from the front corner of the desk at eye height, 35mm, gentle handheld. The picture is always one single full frame. Vertical 9:16.

STYLE: clean modern 2D anime with adult character designs, crisp line art, soft purple room light, big expressive eyes. No text and no logos anywhere. The monitor is just off frame to screen-right; only its cool blue glow reaches their faces.

CAST, two original adult women in their twenties, identical

twins with the same face. LUMI, screen-left: short mint-green bob, white hoodie, white cat-ear headset, earnest. NOX, screen-right: the same bob but black with red tips, black hoodie, black cat-ear headset, a sharp grin.

SET: a small streaming room, a purple LED strip on the wall, a plush toy on a shelf. One desk, two chairs, one keyboard and one white mouse between them. Two desk microphones on short stands, one in front of each twin. Each mic base has a round red button on its front and a thin ring light that glows green while the mic is on.

MAP: LUMI screen-left, NOX screen-right, always. LUMI's mic stands in front of LUMI.

0:00 to 0:03. Already moving in the first frame. Both twins have a hand on the one mouse, pulling it towards themselves. LUMI, loud: "I'm queuing ranked!"

0:03 to 0:06. NOX pulls the mouse across to her side and grins: "You lose every ranked."

0:06 to 0:09. One continuous shot, no edit. Close on LUMI's microphone base, the round red button large in the middle of the frame, the green ring light around it. NOX's hand reaches in from screen-right and her finger presses the button. The green ring light switches off and goes dark.

0:09 to 0:12. Medium on LUMI, her face a third of the frame height, eyes on NOX, not the lens. She shouts at NOX, mouth wide, arms waving, and we hear nothing from her at all, only the room hum.

0:12 to 0:15. Close on NOX, her face a third of the frame height, three-quarter view. She leans towards her own mic, its ring still green, with a sweet smile: "Chat, we're queuing ranked." Beside her at the left side of the frame, LUMI is still shouting with no sound. The film ends mid-shout.

Sound: mouse clicks, the cable snap, a soft click of the mute button, then silence wherever LUMI speaks. Two lines of English dialogue before the mute and one after, lip-synced. Light lo-fi beat under it.
