Camera first: close and medium shots at desk height, 50mm, slow gentle moves. The picture is always one single full frame. Vertical 9:16.

STYLE: handmade claymation, visible thumbprints in the clay, soft office daylight, slight stop-motion step. No text and no logos anywhere.

CAST: NOODLES, a round white bowl of clay ramen noodles in broth. Two strands of noodle rise out of it as arms with soft

noodle hands. Its face is on the broth surface: two round pink-and-white fish-cake slices as eyes, two short noodle-strand eyebrows above them and a thin curved line in the broth as a mouth. A folded white paper napkin sits on top like a chef's hat. WORKER, a thumb-sized clay office man, white shirt, blue tie, round glasses, holding a tiny brown briefcase.

SET: an office desk at lunchtime. The bowl on the left, a closed yellow notebook on the right with WORKER standing on it, a small glass shaker of red chilli flakes with a plain silver lid and no label, and a little dish of chopped green spring onion beside the bowl.

MAP: bowl and onion dish screen-left, notebook and WORKER screen-right, always. WORKER never leaves the notebook and never touches the noodles.

0:00 to 0:03. Already moving in the first frame. Two noodle strands rise from the bowl and curl into arms. The fish-cake eyes open.

0:03 to 0:06. One continuous shot, no edit. Close on the shaker, held in a noodle hand, large in frame, tipping over WORKER's head. Below it, WORKER looks up at it, eyebrows down, briefcase clutched to his chest.

0:06 to 0:09. Medium close on WORKER, large in frame. The shaker shakes once and red flakes fall on his head and shoulders, and he sneezes.

0:09 to 0:12. A noodle hand pinches some green spring onion and sprinkles it on his head like confetti. He brushes it off his shoulder, glaring.

0:12 to 0:15. One continuous shot. Close on the bowl's broth face, a third of the frame height, the paper-napkin hat tilted. The face looks straight into the lens and asks: "Extra spicy?" At screen-right, WORKER, small but sharp, his briefcase at his feet, shakes his head hard, arms crossed. The film ends

on the bowl's raised noodle eyebrows.

Sound: a soft clay squelch as the arms rise, a shaker rattle, a tiny sneeze, office hum. One line of English dialogue from the bowl, a warm chef voice, lip-synced. No music.
