This prompt extends an earlier clip: @Video1 is the knight standing in the forest. Make that clip first, then run this one as an extension with it attached.

Extend @Video1. Keep same character and style. The pixel knight swings his sword at a pixel dragon that bursts from the trees.
[cut] Close-up of pixel sparks flying from the sword clash.
[cut] The dragon retreats. A golden pixel treasure chest sits where it stood.
[cut] The knight opens the chest, golden light fills the screen,

score counter appears: +9999.
No music, no talking.
