This prompt extends an earlier clip: @Video1 is the previous part of the knight's walk. Make that clip first, then run this one as an extension with it attached.

Extend <<<video_1>>>. Keep same character and style. The pixel knight enters a dark forest, torches on trees light up as he passes.
[cut] A shadow moves between the pixel trees ahead.
[cut] The knight draws a pixel sword, takes a fighting stance.
No music, no talking.
