These prompts ran in order and the later ones use reference images: the sheets, frames and stills made by the earlier image prompts. Make those first, then upload them with each later prompt where it says image 1, @Image1 and so on. The heading above each prompt names the tool and format it ran with.

**SHEET K1 · nano_banana_2 (served as Nano Banana Pro) · Higgsfield · 16:9 · 2K · pick v1**

Product reference sheet on a clean light cream background, four panels of the SAME object, fully consistent, each labeled: FRONT, THREE-QUARTER, TOP, CLOSE-UP. The object: the KESTRIX K1, a compact 75% mechanical gaming

keyboard with a bone-white anodised aluminium case with softly rounded edges, blank matte graphite keycaps with no letters or symbols, a single signal-amber Escape key, a thin glowing amber light strip running along the front edge of the case, a small embossed two-stroke chevron mark on the top-right corner of the case, a coiled graphite cable. The CLOSE-UP on the amber Escape key and the chevron mark. Every panel is a REAL studio product photograph, soft even daylight, natural colour, no retouching. Clean minimal English panel labels only; no lettering on the product, no brand names, no other text.

**SHEET H1 · nano_banana_2 · Higgsfield · 16:9 · 2K · pick v2**

Product reference sheet on a clean light cream background, four panels of the SAME object, fully consistent, each labeled: FRONT, SIDE, THREE-QUARTER, CLOSE-UP. The object: the KESTRIX H1, an over-ear gaming headset with a bone-white matte shell, thick graphite memory-foam ear cushions, a graphite padded headband with a bone-white slider, a thin glowing signal-amber light ring around the outside of each ear cup, a slim graphite flip-up boom microphone on the left cup. The CLOSE-UP on the amber light ring of the ear cup. Every panel is a REAL studio product photograph, soft even daylight, natural colour, no retouching. Clean minimal English panel labels only; no lettering on the product, no brand names, no other text.

**SHEET JUNO · nano_banana_2 · Higgsfield · 16:9 · 2K · pick v1**

Character-design reference sheet on a clean light cream background, neatly organized like an official character model sheet, all panels showing the SAME young woman, fully consistent. Six labeled panels: FRONT (full body, neutral), SIDE (full body), BACK (full body), FACE (close-up, neutral, calm focus), ACTION (seated at a desk leaning in, both hands on a keyboard and mouse, eyes forward), DETAIL (the headset on her head and the amber streak in her hair). The character: JUNO, about 23, South Asian, warm medium-

brown skin with natural texture, short black hair with an undercut on the left side and one amber-dyed streak falling across the front, dark-brown focused eyes, straight dark brows, a small silver stud in the left ear; a plain graphite athletic team jersey with signal-amber stripes on both shoulders and no text or logos, black joggers, white sneakers; a bone-white over-ear headset with graphite cushions and a thin amber light ring on each ear cup. Every panel is a REAL candid photograph, soft natural studio daylight, natural skin with pores, no retouching. Clean minimal English panel labels only, no other text.

**SHEET ARENA · nano_banana_2 · Higgsfield · 16:9 · 2K · pick v1**

Environment reference sheet: four labeled photographs in a 2x2 grid of the SAME bright esports arena stage, no people, no readable text, no logos, no screens showing text. VIEW A "POD": a white player pod on the stage, a white desk with one monitor showing a soft white-and-amber abstract glow, a white gaming chair, a ceiling of soft white rectangular light panels above, thin amber accent light strips along the stage edge. VIEW B "STAGE": wide from the front of the stage, the single white pod in the centre on a glossy pale-grey floor, light haze, the empty dark-grey crowd stands rising behind in soft focus. VIEW C "DESK": eye level at the desk surface, the white desk top empty, the monitor behind it out of focus. VIEW D "REVERSE": from behind the pod looking out over the monitor toward the empty stands. REAL photographs, bright soft white light, light haze, warm amber accents, natural contrast, no retouching.

@Image1 is JUNO: take the face, the short black hair with the left undercut and the single amber streak at the front, the graphite jersey with amber shoulder stripes; ignore the sheet layout and the labels. @Image2 is K1, the KESTRIX K1 keyboard: bone-white case, blank graphite keycaps, one amber Escape key, amber light strip on the front edge; ignore the labels. @Image3 is H1, the KESTRIX H1 headset: bone-white shell, graphite cushions, amber light ring on each ear cup; ignore the labels. The video opens exactly on the start frame.
Create an exactly 4-second shot. A pro player in the last round of a grand final, one breath before the clutch.
World: bright esports arena stage; a white player pod with one monitor under a ceiling of soft white light panels; light haze with amber accent strips and a cheering crowd in soft focus.
Look: photoreal live-action commercial, clean digital capture, bright soft white key light, warm amber accents, natural skin with pores, shallow depth of field, restrained grade.
50mm spherical | 4s | PUSH-IN | MEDIUM-CLOSE.
0-2s: Frontal medium close-up of JUNO seated behind the monitor, the camera pushing in slowly; her eyes locked on the screen, the glow on her face flickers softly, a bead of sweat at her temple. <muffled crowd roar> <slow heartbeat>
2-4s: She takes one slow breath in through the nose, her jaw tightens and her eyes narrow by a fraction; the crowd behind her stays soft and blurred. <heartbeat> <a held breath>
Locks: JUNO keeps the face, hair and amber streak of @Image1 and wears H1 on her head the whole time; K1 and H1 keep the exact look of their sheets with no lettering on them; one JUNO, one keyboard, one mouse, one monitor; the monitor shows only a soft out-of-focus white-and-amber glow. Do not show any readable text, logos, numbers, subtitles or watermarks. Do not add cuts. Nobody looks into the camera.
Audio: no music; muffled arena roar under a slow heartbeat.

Create an exactly 8-second shot. Time has stopped: the camera floats through one frozen instant of the final.
World: bright esports arena stage; a white player pod with one monitor under a ceiling of soft white light panels; light haze with amber accent strips and a cheering crowd in soft focus.
Look: photoreal live-action commercial, clean digital capture, bright soft white key light, warm amber accents, natural skin with pores, shallow depth of field, restrained grade.
24mm spherical | 8s | TRACK | MEDIUM-WIDE.
Time is completely frozen for the whole shot: JUNO is frozen leaning into the desk with both hands on K1, golden and white confetti pieces and small droplets of water hang motionless in the air around the pod, the crowd behind is frozen mid-cheer with arms raised, the haze is still. Only the camera moves.
0-3s: The camera glides slowly in a smooth arc from her front-left around the desk, past the hanging confetti, keeping JUNO centred. <deep low hum> <a soft airy whoosh>
3-6s: The arc continues around to her right side, the frozen

crowd sliding past in soft focus behind her. <airy whoosh>
6-8s: The camera eases in close to the side of her head until the H1 ear cup and its glowing amber light ring fill the right half of the frame, sharp, with her frozen profile and the amber streak beside it. <a soft chime>
Locks for the freeze: nobody and nothing moves except the camera; no blinking, no breathing, no falling confetti.

bright soft white key light, warm amber accents, natural skin with pores, shallow depth of field, restrained grade.
100mm macro | 6s | TRACK | INSERT.
Time is completely frozen for the whole shot: JUNO's fingertip rests on the half-pressed amber Escape key of K1, her hand, forearm and jersey sleeve visible running back toward her body, a single drop of sweat hangs in the air above the keys, confetti specks hang out of focus. Only the camera moves.
0-3s: The camera glides low and slow along the top of K1 from right to left across the blank graphite keycaps toward her fingertip, the amber light strip glowing along the front edge, the hanging sweat drop catching the light. <deep low hum> <soft whoosh>
3-6s: The camera settles on the amber key under her fingertip with the sweat drop sharp above it, a gentle rack of focus from the drop to the key. <a faint tick>
Locks for the freeze: nothing moves except the camera; the sweat drop stays exactly in place.
Locks: JUNO keeps the face, hair and amber streak of @Image1 and wears H1 on her head the whole time; K1 and H1 keep the exact look of their sheets with no lettering on them; one JUNO, one keyboard, one mouse, one monitor; the monitor shows only a soft out-of-focus white-and-amber glow. **AUDIO MUSIC · sonilo_music · Higgsfield**

Modern cinematic electronic sports-commercial score, 30 seconds. 0-7 s: tense pulsing synth bass and ticking hi-hats building fast. 7-19 s: almost silent, a deep sub-bass drone with sparse glassy bell ticks, suspended in time. 19-26 s: a huge drop, driving punchy drums, bright anthemic synth lead, triumphant. 26-30 s: one final big hit and a clean ringing tail. No vocals.

**AUDIO SFX_FREEZE · mirelo_text_to_audio · Higgsfield**

Time stopping: a sharp reversed whoosh sucking inward that ends in a deep sub-bass impact, then a low eerie sustained hum, cinematic sound design

**AUDIO SFX_SNAP · mirelo_text_to_audio · Higgsfield**

Time snapping back: a fast rising pitch whoosh into a massive deep bass boom, cinematic trailer sound design

**AUDIO SFX_CROWD · mirelo_text_to_audio · Higgsfield**

Huge indoor esports arena crowd erupting in cheers and screams after a winning play, with a confetti cannon pop at the start

**AUDIO SFX_KEYS · mirelo_text_to_audio · Higgsfield**

Fast precise mechanical keyboard typing with crisp tactile clacks and quick mouse clicks, close-miked, ending in one loud decisive key press

**AUDIO SFX_HEART · mirelo_text_to_audio · Higgsfield**

Slow deep heartbeat thumping under a muffled distant arena crowd roar, tense

**AUDIO SFX_CHIME · mirelo_text_to_audio · Higgsfield**
