Nostalgic anime coming-of-age film score, 62 seconds, instrumental. 0-20 s: warm, playful and hopeful: soft felt piano melody with light acoustic guitar, gentle rain-like shakers and a few retro 8-bit synth sparkles, the feeling of being thirteen. 20-40 s: late-night determination: a ticking muted synth pulse, low strings and a soft heartbeat kick, quietly building tension, the piano motif returning in a minor key. At 40 s: one shimmering cymbal swell and a held breath of silence. 40-62 s: the same piano motif returns, now full and warm with strings, a gentle choir-like pad and soft drums, emotional and triumphant without being loud, resolving on a long warm final chord. No vocals.
